Dear Fred:

Re: Elphinstone Drag Racing Team

The Board would like to thank Brenda Masich for her presentation at the March 13, 2012 Board Meeting.

As you witnessed at the meeting, we passed a motion in support for an Elphinstone Drag Racing Team. We certainly admire the passion and expertise that Brenda Masich brings to this project, and to education at Elphinstone. The potential value of such a team to learning, student engagement and teamwork was highly evident from her presentation.

Sincerely,

Silas White

Dear Paul,

Re: Elphinstone Drag Racing Team

As you know, the board passed a motion of support for the Elphinstone Drag Racing Team at the March 2012 board meeting.

This letter will serve to confirm that the support of a drag racing team extends to students and staff at all secondary schools in the district: Elphinstone, Chatelech, Pender Harbour and Sunshine Coast Alternative School.

We look forward to hearing more about the progress of our drag racing teams in School District No. 46.

Sincerely,
